# **WINNIPEG TRANSPORTATION CLUB SCHOLARSHIP - 2010**

Over 28,000 Manitobans throughout the province are employed in the trucking industry. They are drivers, dockworkers, dispatchers, sales people, accountants, mechanics, office personnel and others, all of whom contribute to a strong, efficient motor transportation industry that brings us the goods and services we need and often take for granted.

Post-secondary training and education is the keystone of our communities and of the trucking industry. In 2008, the Winnipeg Transportation Club established a scholarship through the Manitoba Trucking Association to promote professional growth within the truck transportation industry.

The Winnipeg Transportation Club Scholarship is an award of \$500 to assist in the costs of pursuing post-secondary training or education. If you are an employee/dependent of an employee of a member company of the Manitoba Trucking Association, you are eligible to apply for this Scholarship.

The selection criteria are academic achievement, extra-curricular activities and community involvement.

The Scholarship will provide financial assistance for students pursuing post-secondary education or training, whether through university, college, apprenticeship, private vocational institute, distance learning or continuing education. Students may be starting a program or already enrolled in and planning on continuing a course of studies.

### **Eligibility:**
