## **Manitoba Trucking Association Announces \$8,000 Available in Scholarships and Awards**

Winnipeg, March 24, 2010 – The Manitoba Trucking Association is pleased to announce that it will be awarding \$8,000 in scholarships and awards to deserving young people in 2010. This is a long-standing tradition at the Manitoba Trucking Association, and is one that the MTA is proud to continue.

“The value of a good education cannot be understated,” said MTA Executive Director Bob Dolyniuk. “With the current economic situation, these scholarships are as valuable as they have ever been as families work hard to ensure that their children receive the post-secondary education they need and deserve. Further, some of these scholarships are dedicated to those entering the transportation industry, which means that we can be drawing some of the best and brightest into the trucking industry.”

Scholarships and awards that are available include:

- MTA Associated Trades Division Scholarships (3 x \$1,000 each)
- Edward M. Ewanochko Transportation Scholarship (1 x \$500)
- Winnipeg Transportation Club Scholarship (1 x \$500)
- MTA Associated Trades Division Apprenticeship Awards (2 x \$1,000 each)
- MTA Vehicle Maintenance Council Awards (2 x \$500 + \$500 in tools)

Further information about each of these awards and scholarships, including application criteria and forms, can be found on the MTA website, [www.trucking.mb.ca](http://www.trucking.mb.ca) (under “Scholarships and Awards”)

*The Manitoba Trucking Association exists to develop and maintain a safe and healthy business environment for our industry members.*
